Two Palestinians visiting Birmingham from Ramallah

Press Release 09.11.08

"The siege of Gaza is an illegal and immoral act of collective punishment imposed on the civilian population of the Gaza Strip for the 'crime' of voting in internationally supervised elections for a party not supported by the Western powers," said Ms. Short, the former British Secretary of State for International Development from 1997 to May 2003. "We have visited hospitals and schools here, and I can testify first-hand to the suffering that has been forced upon the Palestinians of Gaza."
